How to get expelled- A step by step guide

👁 7 ✓ 0 ★ 1

Chapter 1 by Someone

1- Go to school (get your own ride if possible because I don't think your bus will pick you up.)

2- get to class; after it has already begun.

3- make up a for-sure fake excuse. (Ex. "I rode a unicorn to school and it had to take a stop at a rainbow cause a leprechaun owed him money. Then he got lost but we eventually went back to my house to get my phone to navigate. When we finally got here the principal wouldn't let me in. I finally broke in and was chased to the 5th grade pod instead of the 8th grade pod. That's why I'm so late. I'm sorry.")
